Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., May 12th, 1884.

Sir ;

The Assistant U. S. Treasurer at Philadelphia requests that you be authorized to make and supply his Office with a Counting Board, adapted to the size of the new nickel five cent coin. If the Counting Board can be made in the carpenter shop without any interference with the regular business of the Mint, you can make the Board as requested, sending the bill for the actual time , cost and material; for which it is proposed by the Treasury Department to reimburse your appropriation.

Very respectfully,

Horatio C. Burchard
